“ Angela, Tina ,Lisa and Pauline, We were so shocked her hearing about your Mother's passing. I know it has been so many years, but we remember all the times that all you girls would come over with your parents, we would play and our parents would play cards and order U.F.O sandwiches. Or we would go to your house on Sandhill road. Those were fun times for me and my Mom Deb. It's funny but I can still remember the sound of your Mom's voice when she would call to one of you girls. our deepest sympathies to you and your family.
