“ Andy, Dick, Donna, Ann, and Kathy; Claire and I send our deepest sympathies to you on the passing of your Mom. I have such fond memories of going to your home in Danville with our family and hanging out. When our two families came together, we were quite the crowd. Midge as we always called your Mom had such a great smile and always that sparkle in her eyes. Last time I saw your Mom she was leaving a wake on Court St and I was speaking with her about old times and she said I have to catch a bus back to the apartment. I was able to convince her that I was going to take her home so we could continue our talks. A truly great lady will be missed by many. God bless you all.

“ It is with a heavy heart that I read about Mrs. Demers passing but with a wealth of fond memories. She, Midge, was my second mom on the Old Hotel Road. My brother and I spent most of our time with her sons Andy and Dicky. She always provided us with sage wisdom and a guiding hand of Love. We have lost a member of the "Greatest Generation" and my thoughts and Prayers are with her loving family.
