“ We are so sorry for your loss. Thank you for allowing us to be part of your celebration of his life last Wednesday. Although we did not know him, it was clear he was loved by so many that he came in contact with and we left the service feeling he was so special to so many people there. Few leave these earthly bodies with such an impact in such a short time. I know he is with his dad looking over you.  
Love,

“ Dear Rollins Family,

I know you don't know me but I attended Culinary School with Ben and we both worked our first real restaurant job outside of school together at The Harvest in Cambridge MA. We kept in touch over the years and I was hoping to see him again now that he'd moved back to the east coast, however it didn't work out. I want you express how much he will be missed by his friends and colleagues as he was very cherished and loved by many. I feel his loss deeply as he was such a great friend over all these years. I wish for you a least the slightest comfort of knowing how much he was loved.

My deepest condolences,  
Samantha K Withall

“ Patty, my prayers have been with you and your daughter since I heard the news. I will continue to uplift you both in prayer. I'll never forget how excited we were to have Ben play an active role in the food for your retirement celebration. You were obviously well loved by Ben, and he certainly knew he was well loved by his wonderful mother. God bless you during this tremendously difficult season in your life. I love you, Patty.
