“ God chose to bless me with many wonderful people to share my life and inspire me. Grammie Blanche is one of those people. She has been an inspiration of kindness, love and generosity for me. I carry with me so many wonderful things that she taught me and aspire to be half the person she was. I will miss her for the rest of my days. And hope that I will always be able to hear her laughter, her wonderful laughter echo through my mind. I love you Grammie, Laurie
