“ My dear father in law. I'm so blessed to have had you in my life. You welcomed me into the family with open arms and showed me nothing but love. I will always remember our wonderful conversations, the laughter and especially our dances together. Your legacy lives on through your son and grandson and they will make the Boisvert name proud. Kisses and hugs to my sweet angel Ange who was my confident and roll model, as I'm sure she greeted you with her beautiful smile. Rest well and until we meet again. I love you forever
