“ Beautiful Connie! I have so many good memories of her, When my kids were still in school I would pick her up along with Lana and we would be off for coffee almost every morning. Sometimes all the way to Rumford and even New Hampshire. She was a good friend a great person and the best knitter I've ever known, It was always interesting to see what sweater creation she came out of her house in!! don't think I ever heard her utter a bad word about anyone. She was beautiful inside and out!
I am so sorry for your loss.
Rest In Peace Connie.
