“ I can't believe its been almost a year since you've been gone. Every morning as I try to 'wake up', I remember how you would pull out a chair and tell me to walk around it three times before I sat down. It never worked, other then to make Mr smile and it still does! I miss you Grandpa.

“ Edward and I were raised on farms about 2 miles apart. We shared a common love of flying and both retired from the Air Force. I pray for the soul of my lifelong friend. God bless you, Eddie, rest in peace in the arms of our Lord, Jesus.
