“ Aunt Irene, Angel, Danny, Bobby, Patrick and family, Skip & I are so sorry to hear of Uncle Will's passing. I like to believe that when we lose someone close to us they still live through us and give us strength. The time we have spent with those we've lost makes them part of us. We all have our memories and the sorrow we feel today will fade in time. He is now with all the loved ones who have gone before him, and I'm sure he's having a grand reunion!
