“ My condolences to Tony and the Krason family on the news of Frances's passing. She was a kind and sweet lady. I always enjoyed seeing her at the Ocean Ridge condo annual picnics. It is a comfort to know she was able to stay at home with the support of her family as her health declined.

“ I am so sorry to have missed paying my respects to Frances. She was one of the few remaining members of the Polish community in her generation. She was a lovely woman with a wonderful smile. My deepest condolences to the family.

“ I feel so fortunate to have met Francis before she passed. So many great stories of her extraordinary love and generosity to her family. And she was fortunate to have that love reciprocated and have her family close and supporting her in her last years. What a perfect way to leave this earth, on Christmas Day , in her home, with a loved one seeing her off. Now she's in the arms of Jesus. Blessings to all the family
