“ Macky was a kind person,he was funny liked to laugh and make people laugh. I have known him for a very long time.I didn't see him much in the years gone by but always asked about him. Now he is with his mom,brothers and sisters. He is no longer sick with the tubes hanging from his body, he is free so I wish you happiness where ever you are and will see you when I get there. As far as the family here I extend my sympathy to all of you.God Bless Gail & Stacy
