“ I only knew George for little over a year, but you didn't need to know George very long to know two things about him. He was a nice guy and he loved and missed his wife very much. George showed me what everlasting love was about, something I will keep with me forever. Thank you George, I'll miss you.

“ I'm so truly sorry to have lost such a nice neighbor. He kept to himself usually, but was always pleasant and friendly in passing. I'm sorry I wasn't able to be there when he needed me. May he find peace.
