“ I worked with Gerry and Conrad building houses in the 70's and 80's. Gerry was the cutter, Conrad was the nailer and I was the in between. It was an honor to work with them and feel like a brother. The last time I saw Gerry was at the rifle range about 4 years ago. I walked into a small building for info to join and as I was leaving a man said, "What's your name?" I told him, then I heard a loud voice say, "I know that name. He was our best worker." Without turning around I knew it was Gerry. When I heard him say that, my chest puffed up and it brought a big smile to my face. I was happy to see him again. Just recently Gerry taught me something after his passing. Lately I would go down Webster Street and go by Lorraine Ave and look up the street. I would say to myself, "I got to stop by and see Gerry." But I didnt!!! The lesson I learned was that friends are precious and you should visit with them before it's too late. Rest in Peace Gerry.

“ Dear Conrad and Doris,
and Gerard's children
and all of the family,

I am your uncle Adrien's daughter, Christiane. It must be around 40 years since we had a chance to meet. My mother and I, with my then new husband were visiting, and he remembers spending some time in your (or was it Gerard's?) backyard around the pool. Time flies, new babies are born and grow up, and people we loved and cared for are taken. This is so so sad. Please accept my deep sympathy for your loss.

I am the only person left in this leg of the family. Maybe you knew this.. or not. As a recap, my father Adrien passed way back in 1972 and my mother in 2001. My brother Daniel passed in 2014 at age 61, and the eldest Gilles followed in 2019 at 68.

Your mother Yvonne (who we called Rollande) was the one who introduced my mother and father to one another during of WW2. If it weren't for this small detail, I would not be writing this. I am glad she thought of it! Your parents and mine really did get along well.

I will try to log in for the ceremony tomorrow and see if I can recognize any of you. Meanwhile, remember you have north of the border family who cares.

Sincere hugs,
Christiane Grenier Simoneau

Bonjour Doris et Conrad,

Je suis Denise Roy (fille de Juliette et Henri-Louis Roy); vous étiez venus me voir à Rome, j'étais chez les Pères Oblats, à Rome, et votre visite m'avait donné une grande joie et un grand bonheur. J'avais eu la visite de chez Gérard aussi et Judy avait donné la mais au Pape Jean-Paul II. Quels beaux souvenirs!

Conrad, je viens t'offrir toutes mes sympathies pour le décès de Gérard; perdre un frère c'est un bien triste moment et j'en sais quelque chose puisque lorsque mon seul frère ANDRÉ était décédé en 1985, je n'avais pas pu venir de Rome à l'occasion de son décès et de ses funérailles car je venais d'être opérée assez gravement et je n'aurais pas pu faire le voyage à ce moment-là! Mais quelle période pénible j'avais vécue! Conrad, j'aimerais que tu me donnes de tes nouvelles et Doris aussi après que ce triste événement triste du décès de Gérard sera un peu moins dur. Est-ce que tu as des 'petits enfants? Je te donne ici mon adresse Email : denroy329@gmail.com.

Tendresse à toi, à Doris et à vos 2 belles grandes filles! J'attends de vos nouvelles.
Tendresse profonde, de soeur Denise Roy

Gerry will be greatly missed. We met Gerry and Judy as our first friends when visiting Aruba, our home away from home. We looked forward to every March knowing that we'd be seeing them and spending special days with them. We stayed in touch with Gerry even after Judy's passing and will always have fond memories of the person he was. We were privileged to have been a part of his life. Our condolences to the family at this time. Marlene and Bob Edelman

Dear Uncle Gerry there are no words to express how much I will miss you and all the wonderful conversations we had about life and the Universe. You were always there for me my ENTIRE LIFE. You took a piece of my heart with you when you departed this Earth. I am happy I was able to see you at the hospital and say my final goodbye in person. Ann and I will be there take care of your baby Brother and our Father. May you soar freely to the furthest Moon of the furthest Universe. I love you. XX

“ I am so sorry for Gerry’s passing. Years ago, I was his insurance agent, and always found Gerry to be a kind and forthcoming in our conversations. My wife knew him and Conrad on their visits to Elizabeth Ann’s while she worked there. Sincere condolences and sympathy for your loss.
