“ I worked with Heidi at L.L. Bean since she first started with the company. We worked side by side for many years in the same department. Heidi was one of my favorites right from the beginning, she had such an easy going way about her one of the funniest people I knew. Little did we know that her little girl Elizabeth and my little boy Craig would grow up to meet, fall in love and have Two beautiful little girls. I will miss Heidi so much, this world has lost a beautiful person. I love you Heidi.
