“ Dear Jackie: I just wanted to convey my sympathies to you and your family. Although, I did not know Jim very well, I remember the Christmas Eve parties at your Dad's house and the fun we had there. I remember one year, Jim got stuck with a bottle of Wind Song perfume in the Yankee Swap game we all played. Again, my prayers are with you and your family in this difficult time. God Bless.

“ Dear Jackie,

We are sure you understand that our plans were to at least attend the service, but Dan's mom is failing and we were not comfortable to be away. Our thoughts and prayers are with you and hope the fond memories will help ease your pain.
