“ Diane and Family, there are no words to express our sorrow for you, Jon's wife, and your family. I hope you feel the love and support from your ER Registration Staff and know that you can always count on us - anytime, anywhere, any day. When I nearly died years ago, I remember the peaceful, warm, and complete feeling of joy being in God's presence before I was awakened to this earthly life again. If you can, try to remember that Jon is at peace and happy. Love, Shirley
