“ Glo, Shari and Gary, so very saddened to hear of Uncle Joe's death. My memories are all so special. His smile, his hearty laugh and his never ending love and support over the years. Christmas nights, the hair piece story with Tracey, the "test" when I first met you two, all the wonderful parties, the babysitting for Tracey, the support during difficult times. Will never forget and always be grateful for the privilege of being part of his life. I am away this weekend but will stop to visit Glo as soon as possible. Regret how life sets us in different directions. Remember all the wonderful years, laughs, love and best memories of this great man. Love, Dandy

“ Glo, Shari and Gary.....my heart grieves along with you. Jo was a special man who always wore a smile and always willing to help his fellow man whenever needed. When my sister in law Sue Renaud called me this morning and told me the news, I was stunned and my thoughts immediately went to the three of you. I know how much Joe loved each and every one of you and how proud he was of Shari and Gary, he always spoke of them with pride and he had that perpetual smile whenever he talked of Glo. Joe was one of the most devoted husbands/father I have ever met. Val and I were their backyard neighbors for many years and enjoyed our backyard rendezvous. Sending the three of you my warmest thoughts and only wish that I could be there to hug all of you because that would make me feel better. I a living in Cherry Hill, NJ and distance however long does not erase the memories of neighbors. May his love reign in your hearts always.

“ We are very saddened by Joe's passing. I played in Fairlawn Wednesday senior tournaments with Joe for the past 10 years and he was one of a few people who could make a bad round enjoyable. It was always 18 holes of fun with Joe in the foursome. He will be missed by everyone at Fairlawn. And I will miss the tomatoes he gave me, the best I've ever had in Maine
