“ I was saddened to learn yesterday that longtime friend Judith passed away October 23rd of this year. She and I grew up in S. Fitchburg MA, attended the same schools through High School, and kept in touch through Facebook and Messenger. During difficult times before and after her husband's passing, I lent a sympathetic ear and we corresponded often on Facebook and particularly in messenger. I have lost a good friend. My condolences to her extended family and her friends. RIP Judith.

“ Sorry to hear about her passing so soon after her husband, David, had passed. So sorry for the local family's loss of parents/grandparents in such a short time.

I am her 6th cousin once removed. We had been communicating via Facebook for the past year.

“ This is my grandmother. She was an anchor in my life, a place I could always turn to and when I became an adult, a friend that I cherished. I never expected to have such a profound relationship with my grandparents - I didn't know it was possible. I will miss her so very terribly. I've already tried to text her and caught myself calling her to tell her some piece of good news I know she'd be just as excited to hear. I can hear her joy even now. There won't be a day I won't think about her and for that, I'm grateful. She's with Grampa, the only place she can be. Love to all my Milbert family and extended family.

“ I am saddened to see that Judith has died so soon after her husband. She helped on many field trips when Mykul and Michelle were in my class at Greene Central School. She loved our outdoor field trips to Reid State Park, the apple orchard, and walking down to the library, post office, town office, and grange. Sending Jodi, Mykul and Michelle a hug. Hold your memories close

“ Choose a good reputation over great riches, for being held in high esteem is better than having silver and gold. Proverbs 22:1  
Judy chose wisely and she was rich in friends and family, she had an understanding heart and her love for Jesus gave her wisdom and understanding.  
Love you Judy and I miss you, see you in heaven when I get promoted.

“ Judy was a great person. I had the pleasure of being her next door neighbor for many years in Greene. She taught me a lot about life. I also worked with her at Tambrands. I was surprise to see David her husband died this year. I shocked to say the least that she died also. She will be reunited with her prince Dave one more time. Thank you for being a good friend. You will be missed by many. Pom Foss

“ I'd be gold in the sunshine and silver in showers;  
I'd be rainbows, and clouds all of purple and pearl;  
And the fairies of fun should laugh out of the flowers,  
And the jolly old earth should be all in a whirl!  
The brooks should trill music, the leaves dance in glee,  
And old ocean should bellow with surly delight:  
O, but wouldn't it be a rare pageant to see,  
If the gods did but grant me my kingdom to-night!
