

Kevin R. Gagnon

March 7, 1971 - June 4, 2017

Lewiston-Kevin Gagnon, 46, of Auburn passed away on Sunday June 4, 2017 at CMMC with his loving family by his side. He was born in Lewiston on March 7, 1971 to Roger and Suzan (Charron) Gagnon.

Kevin grew up in Lewiston and attended St. Joseph's School, then went on to St. Dominic Regional High School Class of 1989. He furthered his education by attending the University of Maine in Augusta.

Kevin worked for 22 years for the phone company as a central office technician in Portland.

In 2000, he married his high school sweetheart Janice Bushey and they made their home in Auburn and started their family. Jasmine and Kelsey gave Kevin some of the best memories a father could have, including trips to Disney World, Carlo's Bakery and hockey games. Kevin loved hockey and enjoyed playing as well as watching. He was known for his kindness and here are a few of his favorite quotes

"I only think about hockey on the days ending in Y" and "How much time is left"

Kevin enjoyed his mothers' special stuffing at the holidays and also his special trips with his mother in law Florence. Concerts with Jason were something he always looked forward to. He also enjoyed late night calls for many years with his Uncle Dick and A.J., Kevin's years in scouts with his father helped make him into the man he was but Kevin always had a special place in his heart for his mom.

Kevin is survived by his loving wife Janice, two loving daughters; Jasmine and Kelsey Gagnon, his father Roger Gagnon, his Godparents Raymond and Marion Gagnon, several uncles, aunts and cousins.

He was predeceased by his mom Suzan Charron Gagnon in May of 2013.

Janice and Kevin's family would like to thank the staff of CMMC ICU for the care they gave to Kevin.

“ My deepest sympathies to the entire Gagnon family. I would see Kevin at the Maineiacs games and he was always friendly and willing to chat. It showed he loved and cared for his family, friends and hockey very much. I wish I could have known him better in High School. I am so sorry for your loss and my thoughts and prayers are with you all.

“ I was completely shocked when I opened the newspaper the other morning and read of Kevin's loss. I give my deepest sympathies to you Janice as well as to your children. He is gone far too soon. My prayers have been with you this week as well as with your family and will continue to be. I have not seen you folks in years, but I frequently read Kevin's posts, especially about hockey and one could tell that he was very passionate about the sport. May God hold you in his everlasting arms as you continue to go through this very difficult time.

“ My deepest sympathies. I thought we all had all the time in the world. Kevin respected me albeit being years away. He had a smile and a conviction in his manner that he was certain in what he believed in, especially in the hockey arena. I did not want to see him go without meeting up with him and exchanging life stories. I feel saddened that he is not here and that I was not given the opportunity to talk with him again.

“ Diane and I were shocked to hear of Kevin's passing. Would never had met Kevin if it wasn't for the Lewiston Maineiacs. He was a true diehard hockey fan. Going to miss his phone calls to talk about the sport he loved. We want to send condolences to his entire family. He will be missed by everyone that knew him. R.I.P. my friend.

“ Kevin was like a dad to my sister as she grew up. Janice and Kevin used to take her alot before they had the girls. She was as I called it their rent a kid. Over the years I grew my own friendship with Kevin. He was always joking and making funny voices on the phone. He helped me with my computer issues as I went to school. One of my first memories of Kevin is he was on the phone after his wedding while they were taking picture ordering hockey tickets. Janice, Jasmine, Kelsey you are in my thoughts and prayers.

“ My deepest condolences to Roger, Janice, Jasmine & Kelsey. Kevin had a big heart and fun spirit. We shared a love of hockey (even if he liked the wrong team), rock concerts (I'm wearing my Halestorm t-shirt today), pork pie that his mom would make, and the every day work day at the phone company that kept changing on us. He cared about people and showed his support of my kids through the years with any fundraiser they were doing. He kept trying to win them over to his side for hockey teams but they are die-hard Bruins fans like their Dad. John and I enjoyed our Facebook all in fun disagreements on hockey with Kevin. The respect that we love hockey even if we don't have good taste in a team was always there.

Kevin, We will miss you and we pray for your family as they grieve.

“ Kevin we spent a lot of holidays together and time on the phone. I loved to hear your thoughts on the girls as they were growing up. You were kind as well as difficult at times. I watched you from a young boy turn into an adult man and the night before your wedding at my house was exciting times. You were nervous and excited at the same same time! Thank you for sharing your life and memories with us you were like another son to us and Uncle Dick and I wish you Godspeed. You will be missed, RIP
