“ Dear Bev...

We have many memories that are back in the 1950's

We sent Dottie and Torgy a copy of the orbit that appeared in the local newspaper.

We are all very sorry for your loss

I called Don Laliberty and he also has fond memories of work and play with Lee.

Bless you.

“ Very sorry that you've all had to part with your husband, dad, grandfather, great-grandfather, etc. I can't use his first name because, to me, he'll always be Mr Allaire or just Tracy's Dad. Thinking back...and I have to go way back...to my teen years, hanging out at his house with my best friend, I found him to be easy-going, caring, protective, fun, a jokester, and downright jolly at times! And whenever I would see him over the years, he always had a smile for me. I will remember his jovial spirit and smile! My sympathies to you all.
