“ I can't tell you how sad this makes me feel! So sorry to hear this Roger. My heart goes out to you and your family. Lorraine was always someone I admired. She was beautiful inside and out. Great smile! Dick and I spent some great times with you and Lorraine when we lived in Maine. Even after we moved to Florida, whenever we went to Maine, we always set aside some time to go visit with you both at Provencher's. That's what your friendship meant to us. We also appreciated your visits with us in Florida. We hoped those visits would occur more often. Dick always liked to talk about old times with you. So much laughter! She will be missed! My thoughts and prayers are with you! God bless you!

“ Hello, my name is Kelly Sirois. I want to express my heartfelt sorrow for your loss. Lorraine was a 'life-saver' to my husband Paul who is battling MM. Paul would talk with Lorraine and she would provide him with encouragement even when she was battling her own issues with MM. She is truly an inspiration and a warrior for all MM patients! She provided the motivation my husband needed when I couldn't, because they're battling the same disease.

Lorraine, you will forever be in our hearts for your kindness. God Bless you.
