“ My deepest sympathy in the loss of your wife and mother. She was a very good person. Marcienne was the first neighbor to befriend me when we moved to Walnut Street. Her kindnesses to me will always be appreciated. I know you will miss her deeply and my heart goes out to you.

“ Lynn- I am so sorry for the loss of your Mom. The world will never be the same without your Mom physically in it but it sure was made more beautiful because she graced it for 81 years. Please know I'm sad with you and continue to hold you and your family close in my prayers.

“ La perte d'une mère est le premier chagrin que l'on pleure sans elle... Je ne peux pas aller aux Etats-Unis car je n'ai pas de passeport et j'en suis bien désolé de ne pas pouvoir être auprès de vous pour traverser ce moment difficile car je connaissais très ma cousine germaine Marcienne ainsi que son mari Roger. Je serai tout de même en pensée avec toute la famille Beaulieu et Pelletier... Je suis la fille de Rose Deschenes, sœur de Rose Anna Deschenes. Je suis souvent aller vous visiter à Lewiston Maine... Je garderai toujours un bon souvenir de Marcienne... Murielle Beaulieu, cousine germaine.

“ Our parents made sure we had such a wonderful childhood. We have so many beautiful memories of the camp where we became little mermaids. We have beautiful memories of all our vacations together as a family. Mom always made sure we had everything we needed to the very end. Thank you Mom for the wonderful life you gave me. I will miss you, but I know you are watching me now from heaven. Love Anne

“ Marcie and I would sit for hours together while Roger and Lou were working. She would tell me about her childhood in Canada. It was fascinating to listen to her talk about all the good times they had. And such a big and wonderful family. I will miss her so much.
