“ My parents were lucky to have such a wonderful caring neighbor for over 25 years. Living next door to her for the last 5 years, I have enjoyed getting to know her and listen to her tell her stories about her kids, grandchildren and then her great grandchildren. She loved each one of you and never missed an opportunity to say how proud she was of her family. Hartley Street will never be the same, your Mom was a very special lady.
She will be missed.

She will always have a special place in my heart and I will miss her smiling face...My condolences to her family....I will always be her forever friend...Helen Couillard!!!
