“ My dearest Nana, I am so glad I had the time to spend with you before you passed. To hold your hand and stay by your side was something I will never forget. God took you home, in peace, dignity, and grace. You will always be my strength and my love. I will miss you all of my days. Until we meet again, I love you and may God comfort you and care for you in eternity. Ryan

“ I didn't get to know Eileen until until she stayed with Babara for a while. I enjoyed the time that we spent together. She really liked to go with me on my deliveries when I had the print shop. She would always want to go somewhere different to eat. She was a fine lady and will be missed.

“ Eileen was married to my oldest brother Willard, to her he was Bill. I'm shure that he was the love of her life. She loved her family, though showing it wasn't easy for her. Am sorry that all our family didn't get to spend time with Shiela, Mike, Ryan & Jay. Just know that we're here. I hope Eileen & Bill are walking hand in hand, god bless them and her family. Barbara.
