“ You were the first person to hold me and a fairy God parent through my youth. Thanks for being there for Momma and Grammy. Thanks for the love you gave me. I woke up missing you fiercely today. Baseball makes me think of you. Let's go Red Sox!

“ Dear Gary and family; My mother (Viola McGilvery) and I send our sympathy to you on the death of your father. My mother attended school with Merlton - graduating in 1936- and we both knew him from the Methodist Church. He was a nice guy. Gary, it was nice to see you again recently when you were in Auburn. “ I wish to express my condolences to the family of Merlton Gould. Merlton was related to my father Henry Lowell and to my aunt Madeleine St. Louis and uncle Earland Lowell. It was only when I moved to Maine in 2000 that I became acquainted with him, and what a nice man he was. I will miss Merlton. Several years ago, Merlton became part of the Catholic Charities Maine SEARCH program (Seek Elderly Alone, Renew Courage & Hope) which I direct. We provided him with yard work assistance and later with a friendly visitor when he moved into Clover Manor. Over the years I visited Merlton who was always in good spirits and enjoyed discussing the Red Sox and the athletic events at Edward Little High School. He spoke highly of the care he received at Clover. May the peace of the Lord be with you during this sad time.

“ My husband Ed and I send sympathy to Merlton's son and family. We knew Merlton from the Auburn Methodist church where he always had a friendly greeting. For a long time he was a volunteer driver and was very helpful and kind to the many kidney dialysis patients he served. I saw him often when I was the social worker there. Kathleen Towle Cormier
