“ So very saddened to hear about Mike's passing. We knew him from Kathy's restaurant, and quickly became friends with him. He liked people, loved his Mom so very much, mentioned his family sometimes, and told things the way he saw them. He's in the hands of the Lord now and Our Blessed Lady. The fact that he kept a rosary hanging in his car says a lot about his faith. Will continue to pray for him and those who mourn for him, and know that he will be still near us, in a spiritual way! And I will have a Mass said for him, the highest form of prayer! I trust in the Lord's plan for Mike, as He knows what's best for us much more than we do. God bless also his loved ones, especially his Mom!
