“ I wish to offer my condolences to Nancy's family. I did not know her but in reading her obituary I can feel what a loss she is to many. She sounds very much like a person anyone would have liked to be a friend of. I also wanted to add that the wording of her obituary was refreshing.

“ I will miss my amazing companion and very special lady so much. She was the most beautiful and strongest woman with the greatest sense of humour. We shared many laughs together on a daily basis. May you rest in peace my special lady and dear friend. Love you forever, Karen.

“ Sorry to hear of Nancy's passing. We were Charlie and Nancy's next door neighbors for 10 years on Columbia Street and have very fond memories of both of them. They were so caring and nice to our young boys. Whether it was offering cookies or a swim in the pool or especially throwing back the numerous balls that our boys hit over the fence into their yard. Such nice people!

“ So sorry to hear of the passing of my Aunt Nan... She was such a loving and caring lady, who had to put up with me bugging her to swim in her pool, and stay with her at Sugarloaf. She will be missed by so many...
love and prayers, your nephew, Paul
