“ We were so sorry to hear the news about Uncle Norman. We loved him dearly. I remember him as a very happy person, always willing to please and to make others laugh. I also know he loved life and was devoted and dedicated to his wife, my Aunt Adele. He was also so caring and kind. He always made time to see us when we visited Maine. We will miss him when we visit Maine again. Our thoughts and prayers are with my Aunt Adele and the family. May he rest in peace. Love, Christine, Tom, Megan, & Lindsey

“ He had a beautiful voice and smile. He made me feel very welcome when I joined the choir. I will miss being called little one or beautiful, lucky his wife was not the jealous type the way he liked to flatter the women. He loved to sing and love music. When we hit all the right notes you would hear this WOW! from the back, Norm loved the song! Thank you Norm for the great memories!

“ To Adele, Vicki, Monique and Michael, who have suffered a great loss. Our deepest sympathy and prayers are with you. Norm was a very special man with a great smile and always very friendly. He was just a great person to be with. I remember how Norm was very helpful to me at CMVTI when we were taking on special projects in woodworking. Norm was a great neighbor on Poland Rd. and shall never be forgotten.

“ Sorry to see you have left us but now you will have a nice blond angel in Heaven. Will miss your wide smile, laughter and seeing you in the choir and in the Golden Age Club. “ We will miss Normand with his wonderful voice and friendly ways. He was always so kind and caring to my whole family and took time to ask the girls what they were doing and how everything was going with them. I remember the fun we had at your 50th ann. and the unbelievable surprise when Normand, Adele, and the others from Maine came to Illinois for our 35th wedd. party. We shared many happy times. I'm so glad that Colette and I had a chance to visit with Normand, Adele, and Vicky just a week ago. Please know that all of you will be remembered in our thoughts and prayers.Love, Rita M. “ I worked with Norman for quite a while after an illness. He had energetic determination to make himself well-very excited to attend church and assist his wife at BEANO.What a fantastic couple and supportive family. We had several laughs during our time together and he didn't even know that he was passing on his morals, values and love to an unknown person. I wish the family peace,I wish you all well in your endeavors and I will always be fond of this gentle giant-way taller than me!
