“ To Ron's Family, I was deeply saddened to hear about Ron's passing. The years I worked at Cumby's were made so much easier by Ron's presence. He ensured my safety on the overnight shift, even after he finished delivering the paper. We shared many laughs and memories that I will cherish forever. I will miss his boiled dinner, and his lasagna. I will also miss all the vegetables he took such pride in growing and giving. To Ron: Thank you for coming in to my life and enriching it with your kind heart, and your warm smile. Thank you for the many years of laughs, and keeping me warmt hose winter nights we spent outside by letting me sit in your warm car! Thank you for helping me get groceries put away and for sweeping the floor. I will never forget you. You were like a dad to me, i know you knew how important you were to me. I love you and I am happy your suffering is over, now you can have your beer anytime you want! I love you. Tammie

“ We feel very lucky to have had Ron in our lives. He was the kind of neighbor who became our friend. We have many memories of him "strolling" on over, sitting and talking, having a beer, bringing us fresh vegetables or spaghetti sauce, string beans and pickles he had canned and always seeing him outside puttering around. He worked so hard to grow such a full garden. He took such pride in it! He will be missed as we look across the street and not see him anymore, but I do know that he is in a much better place, and we are now very lucky to have a "special" angel watching over us.
