Her unending love for all of us will stay in our hearts forever. Sally was born on June 4, 1932 in Minot, ME., the daughter of Maurice and Maude (MacNaught) Small. She attended the University of Maine, Orono from 1950-52. It was there that she met and married the love of her life, Guy Allan Hartnett of New Jersey in 1955. “ Lynn, Diane, Mark and Paul,

I have sat at this computer countless times not knowing where to start. Marsha was very articulate, and I felt very much the same about your mother. She was such a strong determined woman, you were all so lucky to have had her for your Mom.

Like Marsha, I now live in FL. I felt so sorry I could not attend your mother's service.

I'm sure it was lovely.

Please know I have great sympathy for you and your families during this difficult time. there are somethings we cannot escape in life. This is one of the most difficult.

Support each other, you will need it at this time....

Your cousin,

Pam (Small) Hunnicutt

“ To Lynn, Diane, Mark, and Paul,  
I am so sorry for your loss. Your mom was a wonderful aunt and sister! She was so kind to all of us! She was wonderful to my dad and I am sure that was not an easy task!!  
She was always so kind to me and I will always be thankful.  
I treasure our childhood memories of spending time at your home and at Uncle Ted's, too. The Thanksgivings, Christmas Eves, 4th of Julys, were always memorable!! I have so many stories I could share! I know you do, too!  
I remember the time your mom and dad took me to Canada to Mt. St. Anne skiing with you guys! They didn't have to, but they did. I will never forget the night I was in the girl's room (after our ski trip, the girls were in college), when Uncle Guy came up and sat on my bed. He asked me what I was doing. I was doing my homework. That had never happened to me before! I wasn't sure what to do or say. I was so impressed by the love and caring of both of your parents! They were very special!  
Aunt Sally never ever forgot my birthday. When I would get her card in the mail (with the most beautiful left-handed penmanship I had even seen, I always felt so special. She didn't have to do it, but she always did!  
Lynn, do you remember when your parents gave me your balance beam? They didn't have to, but they did.  
I had never seen another person live with MS as long as she did with the grit and courage that she had!!  
I wanted very much to see her last summer when I was in Maine, but I didn't know where she was and I couldn't find any of you. I am not big on Facebook, but I am there. I would love it if you friended me so we can keep in touch. I regret that I didn't see her before she passed.  
I wish I could have been at her service today, but I live in Florida now.  
Just so you know, because you probably didn't know, your mom was my hero, too.  
Thinking of you at this sad time,  
Marsha ( Small) Engelhardt

“ What a awesome person you were Sally. You treated our family as if we were a part of yours and we are forever grateful. We so admired your strength, independence, strong will to overcome anything that came your way with such a positive never complaining attitude and that contagious laugh we all loved. You will be dearly missed Sally, but I know your reunited with Guy once again and therefore I know you are happy and at peace. .
