“ I was shocked when I saw that you passed away. I only knew you for a short period of time but you were the most caring person that I've known in a long time. If you made a mistake, you took it to heart but as I told you, you were learning. I miss your smile and friendliness and you always were so good to the residents. You will be missed deeply at The Lamp. My thoughts and prayers are with the family.

“ My dearest Sonia, I have known you for a very long time and always loved seeing you. We grew up together as funky teens, making silly jokes, listening to good music and dancing like fools. I am so blessed to have known you in my life, you are beautiful, extremely funny...and yes I did wet my pants laughing so hard with you. I will truly miss your spirit, love and laughter. You are still a specular, loving and caring sister in my heart. I will miss you dearly. peace and love always.
