“ We were privileged to have spent many happy times with Terry and George here in Florida and at their cottage in Maine.

“ Aunt Terry was the best. I will certainly miss her. Mom and Terry may not have seen each other too often but when they did they would talk for hours. The last time Mom visited Terry they sat and rocked and talked for hours. I can only imagine they are rocking up in heaven.

“ Mom was not only the best mother I could ever have had but she was my best friend. She had a quiet way about her which helped to ground me. She would always listen when I needed someone to just listen and not judge or give me advice unless I asked for it. She loved all our (my siblings also) friends and family and loved to be included in our crazy antics. Whether we were coloring our hair or making glazed breadstick centerpieces. She also was always up for a trip to a restaurant or shopping. You never heard her say anything bad or hurtful about anybody---ever. If someone hurt her feelings she would just keep it to herself. I'm sure she is in heaven with my dad and my sister Linda and all of the friends and family that went before her. I miss her already but know in my heart she is happy where she is and someday I hope I will be with her and Dad and Linda again. Not ready yet though.

“ I always thought of your mom as a fun loving and easy going person. I am so happy that my sisters and I got to visit with her at the family reunion in 2006. She and your Dad raised a really nice family who are all good people. We will always hold her in our hearts and minds as we do our mother, her sister. All our love always.

“ I always felt close to Aunt Terry, in spirit if not physically. I have only have great memories of her - she was always so kind and caring and she reminds me so much of my mother in both temperament and looks. I will always be forever grateful that my parents chose her and Uncle George as my Godparents, chose Theresa as my middle name and I will always remember her as a wonderful Aunt, Godmother and just a wonderful person in general. She will be greatly missed. With Love Always, Julie (Goulet) Champagne

“ Your Mother was like a second Mother to me and I know you will miss her terribly. Both you parents were always good to me and it seems that I was always at the Scott house or they were taking us somewhere--the skating rink or movies mostly. She was always such a fun person with a kind heart and a wonderful smile. She will be missed by alot of people!!

“ I especially remember all the fun we had at camp as kids. Aunt Terry and my Mother, Lily, were good friends. When my father Maurice died (Terry's brother), I remember how she and Uncle George were so supportive of all of us. I used to hang around at the house on Randall Road, with Janis. It smelled like "home", too. Christmas' were really fun, there. I think I watched the Wizard of Oz for the first time there, too. Aunt Terry was a loving woman. I'm really sorry I didn't get to have that lunch with you and Paula. You will always have a special place in my heart - thank you for the fond memories.
