“ Wayne was a genuine, passionate and happy guy. I always admired how seriously he took his job here at the Topsham Home Depot. I still chuckle when I think about the numerous filled water bottles he always had around his waist...but he never ran out! Please accept my condolences. He will truly be missed.

“ My condolences to you all. There will forever only be only Wayne, and I am privileged to have known him. Wayne taught me many things. Compassion, focus, faith, and kindness. Although I had the honor to teach him, I often feel perhaps he taught me more. He is a kind soul and I know he continues that light wherever he has journeyed too as he has been freed from his physical being. I wish you all strength and support during this difficult time.
